

The EUROPEAN SUPERVISOR EDUCATION INITIATIVE (ESE)
presents the web seminar on

“ILAAP - EVALUATION OF LIQUIDITY RISK MANAGEMENT”

from 5 – 6 March 2024

OBJECTIVES

The programme is designed to familiarize the participants with the current regulatory issues in liquidity risk management and supervision by combining regulatory SSM and non-SSM aspects. This web seminar offers participants from central banks and financial sector supervisory authorities an opportunity to deepen their knowledge on the Supervisory Review and Evaluation Process (SREP) and its Internal Liquidity Adequacy Assessment Process (ILAAP) as well as to exchange views on liquidity risk related topics on a broad basis. Supervisors with long track records from competent authorities will highlight the state-of-play on liquidity risk from various perspectives.

TARGET GROUP

This seminar aims to prepare banking supervisors to assess and evaluate the liquidity risk management practices of financial institutions in a broad sense and offers participants an opportunity to deepen their knowledge on the application of the ILAAP framework.

FORMAT

Presentations and Q&A sessions.

TRAINERS

Supervisory experts and industry expert.

ESE Web Seminar

ABOUT ESE

The European Supervisor Education Initiative (ESE) is an alliance of central banks and supervisory authorities in Europe with the objective to further qualify financial supervisors in Europe. Its members are Bank of Slovenia, Banque centrale du Luxembourg, Czech National Bank, De Nederlandsche Bank, Deutsche Bundesbank, German Federal Financial Supervisory Authority and Oesterreichische Nationalbank.

ESE is committed to high level training based on uniform standards to enhance financial supervisors' knowledge and skills and to promote a common European supervisory culture and practice. The initiative offers a modular seminar programme for banking, insurance and securities and markets supervisors, financial stability analysts and economists from central banks and supervisory authorities in Europe.
