

The EUROPEAN SUPERVISOR EDUCATION INITIATIVE (ESE)

presents the training

**“IT ON-SITE INSPECTION
FOR EUROPEAN IT RISK SUPERVISORS/SPECIALISTS”**

hosted by: De Nederlandsche Bank NV

Date: 9th - 11th December 2019

Venue: Amsterdam, Netherlands

Seminar code: 3008 7372

OBJECTIVES

Sharing experiences and gaining an overview regarding the current developments and corresponding risks for banks with respect to the on-site inspection of

- IT-Outsourcing
- Cloud Computing
- Business Continuity Management (BCM) and IT Service Continuity Management (IT SCM)
- Cyber security

TARGET GROUP

On-site inspection IT-Risk supervisors/specialists with experience in at least one of the topics

- IT-Outsourcing
- Cloud Computing
- Business Continuity Management (BCM) and IT Service Continuity Management (IT SCM)

FORMAT

Lectures from experienced NCA IT risk supervisors as well as external experts will give an insight into the focus topics to all participants by presentations and panel discussions. Subsequently, three parallel workshops for the respective focus topic groups will deepen the knowledge and improve the inspection abilities by sharing experience between the workshop participants. Finally all focus topic groups are invited to present their major conclusions from the workshops.

Participants will be asked to choose their favourite topic with the application for the training, as each participant will be assigned to one of the focus topic groups for the workshop sessions.

The three focus topics are complemented by presentation sessions on cyber security.

TRAINERS

Supervisory and external experts

EUROPEAN SUPERVISOR EDUCATION INITIATIVE

About ESE

The European Supervisor Education Initiative (ESE) is an alliance of central banks and supervisory authorities in Europe with the objective to qualify financial supervisors in Europe. Its members are Bank of Slovenia, Banque centrale du Luxembourg, Czech National Bank, De Nederlandsche Bank, Deutsche Bundesbank, German Federal Financial Supervisory Authority and Oesterreichische Nationalbank.

ESE is committed to high level training based on uniform standards to enhance financial supervisors' knowledge and skills and to promote a common European supervisory culture and practice. The initiative offers a modular seminar programme for banking, insurance and securities and markets supervisors, financial stability analysts and economists from central banks and supervisory authorities in Europe.

ESE is always open to new members or cooperations. Any contribution by European central banks, supervisory authorities or other institutions in the field of financial supervision sharing the idea that training is crucial to the success of financial supervision is highly appreciated.
